SUMMARY

Experienced Web Specialist with a demonstrated history of working in the religious institutions industry. Skilled in Microsoft Office, Mac and Windows platforms, Adobe Creative Cloud including Illustrator and Photoshop, and Digital Signage. Experienced Graphic Artist with attention to detail and Children's Book Illustrator with a Bachelor of Science in Computer Science from North Carolina State University. Seeking opportunities in Graphic Design, Themed Design, 3D Design, Web Maintenance, or Children's Design.

EXPERIENCE

 **Covenant Love Church** (Jul 2004 - Dec 2023)

Children's Media Designer (Oct 2021 - Dec 2023)

Oversaw the development for Children's Ministry brand and characters as used for animations, screen and print graphics, and continued maintenance and additions to the themed facilities design.

Creative Director (Feb 2018 - Oct 2021)

Worked alongside themed design artists and other contractors to develop a themed environment for the Children's Facilities. Tasks included serving as a central point of contact, maintaining brand identity, contributing character artwork, construction planning, themed flooring design, and special lighting and audio installations.

Web and Media Assistant (Jul 2004 - Dec 2018)

Assisted with development and maintenance of website and App platforms, updating graphics, on-demand audio and video, and other content, troubleshooting and communicating with support services. Utilized several CMS options. Supervised Live Stream broadcasts and equipment.

 **Simon Temple AME Zion Church** (2009-12; 2015-24) simontemple.com

Freelance Web Maintenance - Designed, built, maintained church website, assisted with live stream setup, maintained App and on-demand media.

 **M. J. Sofpe Co.** (Feb 1995 - Jun 2004)

Production Graphic Artist - Graphic Design and Illustration for apparel design, including college mascots for athletic wear, military designs, and specialty designs. Primarily used Illustrator and Photoshop on Mac platform. Maintained film, heat transfer, and vinyl printers.

EDUCATION

 **North Carolina State University** (1991 - 1994)

Bachelors of Science, Computer Science

Studies focused primarily on Computer Graphics with a Senior project involving custom coding to animate 3D models.

 **East Carolina University** (1989 - 1991)

Began Computer Science studies with focus on Computer Graphics.
